	5mm x3/16	12.5mm						
	6.5mm x1/4			5mm x3/16	13.5mm	C		
				6.5mm x1/4	12.5mm			

See page 18 for "How to Order" Instructions.

FOR A WATER TIGHT SEAL!

- Greater tear strength
- Protects against weathering
- Wide range of sizes to fit precisely
- Reduces noise and vibrations
- Optional butyl adhesive sealant for a stronger grip and to prevent seepage into storage compartment
